

MOTION BY SUPERVISOR DON KNABE

January 26, 2016

On January 11, 2012, at approximately 3:55 a.m., Long Beach police officers responded to the area of 14th Street and Cedar Avenue to a shooting with a subject down. When officers arrived, they discovered a male subject who had been shot in the upper torso. This subject was transported to a local hospital where he succumbed to his injuries. The decedent was later identified as Lashown Fils, a resident of Long Beach.

Detectives have canvassed the area in an attempt to find additional witnesses to the incident and their efforts have been met with negative results. As of this date, no additional witnesses have come forward. Detectives feel it would be beneficial to offer a reward, which may prompt reluctant witnesses to come forward and provide information to identify the individual(s) responsible for this crime.

On February 14, 2012, this Board approved a \$10,000 reward offer which was extended on May 1, 2012, October 23, 2012, reestablished on May 14, 2013, extended on August 6, 2013, January 28, 2014, July 22, 2014, January 20, 2015 and July 21, 2015. That reward is due to expire again on January 29, 2016.

I, THEREFORE, MOVE that the Board of Supervisors extend the offer of a \$10,000 reward for information leading to the arrest and conviction of the perpetrator(s) of this heinous crime.
